

RECORRIDOS.

Tengo el honor de manifestar á V. contestando á su atento oficio de 27 de Julio último, que en el día de la fecha, se anota en la cartilla militar de Vicente Gual Pastor, nº 300, de 1910, la nota del cuerpo á que ha sido destinado, haciéndole saber la obligación de incorporarse al primer aviso que reciba de sus Jefes, ya que en otro caso se le declararía desertor.

La cartilla militar le fué entregada igualmente en el día de la fecha.

Dios guarde á V. muchos años.

Villafamés 1<sup>a</sup> de Agosto de 1920.

Gr. Teniente de Alcalde del Distrito 10<sup>a</sup>,

Barcelona.

W. A. Anderson, M.D., stated he worked  
as a physician at the Hospital of the University of  
Philadelphia, and was engaged in the treatment of  
various diseases. He said he had been engaged  
in the treatment of a case of appendicitis for  
several days, and that the patient had been  
operated upon, and that the appendix had been  
removed. He said he had been engaged in  
the treatment of a case of appendicitis for  
several days, and that the patient had been  
operated upon, and that the appendix had been  
removed. He said he had been engaged in  
the treatment of a case of appendicitis for  
several days, and that the patient had been  
operated upon, and that the appendix had been  
removed.
