The authors would like to thank Professor Halil Dogan (Bakirkoy Dr. Sadi Konuk Training and Research Hospital, Istanbul, Turkey) for informing them of the following error.

The following sentence within the last paragraph of the 'Diltiazem and Atrial Arrhythmias' section, "A retrospective study evaluated 77 patients with supraventricular tachycardia treated with oral adenosine or intravenous diltiazem in the emergency department [21]", is incorrect.

This sentence should read:

"A retrospective study evaluated 77 patients with supraventricular tachycardia treated with intravenous adenosine or diltiazem in the emergency department [21]".
